

# ALLAN TAYLOR

For over 50 years Allan has travelled festivals, concert halls and clubs all over the world. He established a reputation as a foremost singer- songwriter with over 150 recordings of his songs.

He is considered to be one of the scene's great guitarists with a voice that speaks of a lifetime travel, he makes each song a vignette of life, like a story told over a drink in a bar.

As Allan says at the beginning of each concert: "sit back and enjoy the journey".

*'The most important songwriter of his generation'*
